

VOLUNTEERING AT READING DAIS

Who we are:

DAIS is a drug and alcohol service in Reading. The service operates on an open access basis where users can access harm reduction information and referrals to other services. We also operate a needle exchange and have one to one appointments.

Volunteer's role

We are looking for volunteers who could assist in delivering the open access service. This would include meeting and greeting clients, providing advice, support and signposting as well as assisting with collecting and recording information.

Skills/previous experience:

We are looking for volunteers who the ability to interact and engage with individuals and who have a positive attitude to our diverse client group.

Time commitment:

Reading DAIS is currently operates from Monday to Friday, 9-5pm with one late opening each week. We would be willing to negotiate volunteer's time commitment and the maximum would be 3 days per week.

Application process:

Please contact Reading DAIS to request an application form or for further information.
